

Ready to start your own business? Need tools and support to grow an existing business?

Come to the next **Ventures Orientation**, the first step to learn how Ventures can support your business goals!

- ⇒ **Who is Ventures?** Ventures offers training, resources, and support to entrepreneurs with limited resources. Because we are a nonprofit organization, all of our programs and services for entrepreneurs are either free or low-cost.
- ⇒ **What is the Ventures Orientation?** The Ventures Orientation is free and serves as an opportunity to learn about and apply for our Business Training, an 8-week course that touches on four key areas of how to open and run your own business: marketing, sales, finance, and business operations. The 8-week course delves into small business tools to improve both your competence and confidence to run your business. Classes are once a week and will take place on Thursday nights.
- ⇒ **When is the next orientation?**

Thursday April 5, 2018 5:30-9:00 pm
Community Room @ Bothell Police Dept.: 18410 101st Ave NE, Bothell 98011
